Our Vision and Mission

Vision:

To be a leading management Institute that nurtures socially responsible business leaders.

Mission:

- To promote academic excellence.
- To enhance industry readiness through learner centric pedagogy and industry inspired curriculum.
- To instill social consciousness.

From the Director's Desk

Greetings from Institute of Management Technology, Hyderabad!

IMT Hyderabad, one of the leading Management Institutions in India has been nurturing socially responsible business leaders since 2011. Since inception the underlying philosophy of the IMT Hyderabad has been to create well balanced individuals who would be change agents of future and make a difference to people around them. In our endeavor to groom business leaders of tomorrow, we are extremely focused on rigor and quality in our teaching-learning processes. With a passion and commitment to create an ecosystem for academic excellence, we ensure holistic development of our students by imparting knowledge and contemporary skill sets.

We nurture socially responsible business leaders through our PGDM, FPM and Executive program offerings. The institute has shown impressive growth in terms of its academic innovations, corporate connect, and global collaborations with reputed business schools in respect of student and faculty exchange. The industry oriented curriculum, innovative pedagogical tools help students to understand, and analyze topical business problems. Our curriculum not only helps students in acquiring domain proficiency, critical thinking & problem-solving skills but also global orientation and social consciousness through global and social immersion initiatives.

Our students have managed to excel in the industry and the belief has been reinforced by the consistent faith of recruiters in offering our students diverse and challenging roles in their organizations.

We welcome you to explore the world of IMT Hyderabad, to unleash your latent potential under the able guidance of passionate faculty members and interactions with diverse peers. IMT Hyderabad is striving to be a global institution in an interconnected world. Dear aspirants, we invite you to join us in our journey to excellence.

Let us remain curious and keep learning

Prof. (Dr.) K SRIHARSHA REDDY

Director

Institute of Management Technology, Hyderabad

Message from the Dean (Academics)

At IMT Hyderabad our learning processes are student-centric and we aim at developing the students into socially responsible, innovative business leaders with a global mindset and holistic perspective. Industry linkages, experiential learning, project-based learning, and discussion-based classes characterize the learning processes at IMT Hyderabad.

All students at IMT Hyderabad will experience a Unique Leadership Engagement and Academic Program (LEAP), which is integrated to the program architecture. The objective of LEAP is to nurture communication skills, cognitive & interpersonal skills, contemporary digital skills and develop business acumen & social consciousness among students. LEAP outcomes are achieved through core & elective courses, labs, workshops, social immersion, global immersion, distinguished speaker talks and one to one mentoring by industry leaders.

My best wishes to all the aspirants.

PROF. (DR.) VENKATA CHAKRAPANI C
 Professor & Dean (Academics)
 Institute of Management Technology, Hyderabad

LEARNING RESOURCE CENTRE (LRC)

The Learning Resource Centre at IMT Hyderabad is the heart of the institution. The LRC has a large collection of resources that includes:

7542
Titles

12575
Books

47
National Journals

10
International Journals

10507
E-Journals

18
Business Magazines

8
Databases

E-Resource like PROWESS IQ, Capital Line, Indiatat, ProQuest, EBSCO, Emerald, Tradedx, Economic Outlook, EMIS/ISI Emerging Markets etc.,

INFORMATION AND COMMUNICATION TECHNOLOGY (ICT)

The wi-fi enabled IMT Hyderabad campus boasts world class IT infrastructure. The fully networked campus has around 800 nodes with backbone of 10 Gbps fiber connectivity with multi-layer, high-end Cisco campus wide network. Well-equipped IT Lab with 240 personal computers having access to software like SPSS, SAS Enterprise Guide, SAS E-Minor, SAP, Prowess IQ, Tableau, Text Minor and R to facilitate teaching & research.

ACADEMIC BLOCK

The academic building showcases modern architecture, offers cutting-edge teaching facilities, and gives the precinct a dynamic and vibrant atmosphere in its celebration of open spaces and natural light. The centrally air-conditioned Academic Block has 9 lecture theatres, 11 classrooms, 55 faculty offices, 2 seminar halls, an auditorium and the LRC.

MEDICAL FACILITY

Round-the-clock medical assistance is provided to students through the medical center with a campus doctor and an ambulance for emergencies.

SPORTS FACILITIES

The sports complex consists of a cricket ground, football ground, basketball court, lawn tennis, and badminton courts along with games like table tennis and chess in hostel blocks.

STUDENT HOUSING

IMT Hyderabad's PGDM Programs are residential in nature where all students are required to stay in the hostels. The residence facilities consist of 4 hostel blocks with 720 rooms in all. Each student is provided with a single occupancy accommodation. The hostel rooms are fully furnished and wi-fi enabled and have facilities such as water filters and common rooms.

Apart from the basic amenities and required security, the campus also has equipped Gymnasium, an ATM, a cafeteria, a convenience store, and an Amphitheatre with 500+ seating capacity.

Programs Offered

IMT Hyderabad offers the following 2 year full-time residential Post Graduate Diploma in Management (PGDM) Programs. Our PGDM programs are approved by AICTE and accredited by SAQS and NBA and have MBA equivalence issued by Association of Indian Universities (AIU).

All the PGDM Programs are AICTE approved. The Program structure is based on the trimester system, where each trimester is of 10 weeks of instruction followed by 1 week of comprehensive examination. The intervening period between the first and second year is the summer term of about 3 months duration. During the summer term students can opt for Internship (IP) or Student Exchange Program (SEP) or pursue Management Thesis and Seminars (MTS).

Message from PGP Chairperson

Dear Prospective Students,

Congratulations on considering IMT Hyderabad as a destination for your business education. At IMT Hyderabad, we work really hard to keep the curriculum of our PGDM programs contemporary and industry-relevant. With industry stakeholder involvement in the design, delivery, and update of our program curriculum, we ensure that all our courses cater to a variety of student career goals and aspirations. Our students are nurtured to be tomorrow's business leaders through a learner-centric pedagogy that ensures deep functional proficiency while fostering cross-functional thinking. We pay specific attention to instilling social consciousness amongst the students through our curriculum, in line with our overall commitment to a sustainable future.

All the very best for your admissions process. Please make sure you put your best foot forward and be the best version of yourself.

Prof. (Dr.) VINAY KUMAR KALAKBANDI

Associate Professor & PGP Chairperson
Institute of Management Technology, Hyderabad

POST GRADUATE DIPLOMA IN MANAGEMENT

The PGDM Program at IMT Hyderabad exposes student to the various tools and requisite skills to effectively manage the business functions through a variety of foundation and elective courses. The students choose their specialization as per their career goal and long term plans.

POST GRADUATE DIPLOMA IN MANAGEMENT - FINANCIAL MANAGEMENT

The PGDM (Finance) Program aims at providing updated knowledge and skill-set in the broad area of finance in additions to other core subjects of a business management program. Students study core courses like corporate finance, project finance, security analysis and portfolio management, investment banking, financial econometrics etc.

POST GRADUATE DIPLOMA IN MANAGEMENT - MARKETING

The PGDM (Marketing) Program prepares the students to experience wide array of marketing issues and their solutions by adopting varied pedagogies in the classroom. The curriculum provides a major emphasis on sales and distribution, digital marketing, brand management, integrated marketing communications, international marketing, marketing research etc.

Program Uniqueness

MANAGEMENT ORIENTATION PROGRAM (MOP)

IMT Hyderabad conducts two-week Management Orientation Program (MOP) before the commencement of the first term. The objective of the MOP is to prepare students, who come from diverse backgrounds, for the common experience of the program at the institute. It is designed to provide students with an opportunity to get introduced to their peers and start the Program at common academic levels by addressing individual areas they may need to strengthen.

ABHYUDAY 2022 – FOR THE BATCH OF 2022-24

Inaugurated by Shri P.R. Ramesh, Former Chairman Deloitte, India, Independent Director – Nestle India, HDFC and Cipla & Prof. (Dr.) K Sriharsha Reddy, Director – IMT Hyderabad at IMT Hyderabad Campus.

ABHYUDAY includes Academic orientation sessions, out-of-class activities, panel discussion, distinguished speaker series, Community Connect, Outbound and Team building activities and interaction sessions with faculty and senior year students.

ICE-BREAKING / TEAM BUILDING ACTIVITY

For budding business leaders, it is important to understand that collaboration and cooperation are important keys to succeed in their careers.

As part of Orientation Program- Abhyuday, the new batch got an opportunity to cement their bond through fun-filled outbound team building activities conducted by the experts. Students learn to coordinate, delegate, collaborate and cooperate in order to finish the games that tested not only their mettle but also physical prowess.

COMMUNITY CONNECT VISITS

As part of their Management Orientation Program, 'Abhyuday', the students also visit various foundations involved in community development activities. The objective of the program is to encourage students to learn about the nature of work undertaken by various corporates and non-profits towards the development of the communities.

THE SITES VISITED ARE:

- GMR Varalakshmi Foundation (GMRVF), which is the Corporate Social Responsibility arm of the GMR group.
- Tech Mahindra Foundation, initiatives in the areas of upskilling and employability through its skill centres.
- Swarna Bharat Trust, a unique partnership between an NGO and various corporates.

LEADERSHIP ENGAGEMENT & ACADEMIC PROGRAM (LEAP)

LEAP is a value-added Business Leadership Program offered by IMTH to all the students in line with the vision of nurturing socially responsible business leaders. LEAP is embedded in the existing program architecture offered by IMTH. The purpose of LEAP is to nurture communication skills, cognitive & interpersonal skills, and contemporary digital skills and develop business acumen & social consciousness among students of IMTH.

ONE TO ONE MENTORING BY INDUSTRY LEADERS

Industry Mentor Mentee Program (IM2P) is initiated by IMTH to enhance industry readiness and nurture business leadership among students. Industry mentors will help students to hone their interpersonal skills, critical thinking and problem-solving skills in real situations.

PRACTITIONER SESSIONS

This is to ensure that the courses being offered are relevant and updated to meet the current as well as future needs of the business world and also sensitize students to the real world challenges and the best practices within that function.

DISTINGUISHED SPEAKER SERIES

CEOs from leading corporates are invited to share their business building experience with students and update them about the happenings in the corporate world. Students learn about the challenges that these leaders had to face while achieving their goal, which gives them the motivation to think out-of-the-box solutions.

STUDENT EXCHANGE PROGRAM (SEP)

IMT Hyderabad has tie-ups with more than 25 universities across the globe to enable the student exchange program. The SEP is designed to provide the students with relevant exposure of international business practices and culture. The SEP also provides an opportunity for students to develop their social skills in an international setup.

HANDS ON WORKSHOPS

IMTH offers hands on workshops during first year of the program in the emerging areas such as programming using python, blockchain technologies, advanced spreadsheet modelling, personal branding, leadership lab, creativity innovation workshop and design thinking. These workshops equip students with specific skills of spreadsheet modelling, communication skills, negotiation skills and programming skills

INSTITUTE FACILITATED GLOBAL CERTIFICATIONS

Students are encouraged to pursue industry endorsed certification programs such as KPMG Six Sigma Certification, NCFM, Google Analytics.

CONTEMPORARY DOMAIN INPUTS

Students pursue contemporary courses such as Digital Marketing, Block Chain for Managers, Artificial Intelligence & Machine Learning, Forecasting Analytics, FinTech, Risk Analytics, HR Analytics, Sports Analytics, International Logistics & Supply Chain Management.

MANAGEMENT PROJECT

The Management Project (MP) is another unique feature in IMT Hyderabad curriculum which has been included to ensure practice oriented learning. The objective of MP is to facilitate the process of attaining a higher level of knowledge and expertise in the field of study chosen by the students. It will help the students to integrate the learning in multiple areas and address a comprehensive question of relevance to the management discipline.

Message from Head - Corporate Relations

IMT Hyderabad placements are a testimony to the relations we have with the corporate world – something that has been meticulously built over the years. IMT Hyderabad takes pride in achieving nearly 100% placements year on year in some of the best global and Indian organizations. One major factor that distinguishes IMT H placements from others is the fact that we have succeeded in providing a Career path to our students, and not just their first job after MBA. Our students have gone a long way in their careers where we have placed them. Students are also provided a host of opportunities and trainings to groom them and help them prepare for the interviews in the companies that come for campus placements. Our Industry mentor-mentee program is one such initiative, where the students are mentored personally by an industry leader, enabling them to hone their skills while being mentored. This and many other initiatives help the students in building a successful career.

As we start the admission process for the class of 2023-25, we invite prospective students to IMTH and embark on a successful professional journey through a best in class placement assistance. Together, we will help you get placed in one of the best organization. Some of the marquee names where our students get placed include companies like Amazon, Deloitte, KPMG, Arcesium, DE Shaw, Tata Power, Reliance Retail, Volvo-Eicher, Marico, PwC, Tata Aerospace, CRISIL, Factset, Berkadia, Genpact, ICICI Bank, HDFC Ltd, Federal Bank, Invesco, Hexaware, IDFC first Bank, Oracle, Novartis, Wipro, Cognizant, TCS, Zee media and so on.

Message from Area Chairpersons

Analytics & IT

PROF. (DR.) SURAJIT GHOSH DASTIDAR

Associate Professor & Area Chairperson

The Department of Analytics & IT offers electives on AI/ML, Visual Analytics, Deep Learning, Blockchain, Big Data, Decision Analytics to name a few. These courses are taught by award winning faculties in association with industry practitioners from reputed companies like Accenture, Infosys, Oracle. Our Big Data lab is specifically designed to provide students hands-on experience on Big Data technologies.

PROF. (DR.) MANOJ DAS

Associate Professor & Area Chairperson

"Business has only two functions: marketing and innovation"- Peter Drucker

Now more than ever these words hold prominence with the marketplace changing at a rapid pace and globalization blurring the boundaries as we know them. Students today need to acquire distinct skill sets to ensure they are able to compete with their peers. At the marketing department of IMT Hyderabad the curriculum for marketing courses is designed and regularly updated to ensure that it is relevant in the continuously changing business environment.

Marketing

Finance & Accounting

PROF. (DR.) NIKHIL RASTOGI

Professor & Area Chairperson

With a collective industry, research and teaching experience of over 80 years the Accounting & Finance department is one of the citadels at IMT-Hyderabad. Faculty members have been exposed to research and teaching at US business schools. The faculty members have competencies in the areas of accounting-IFRS, banking, financial markets, business valuation, financial engineering, portfolio management, financial modeling, and analytics. The department has a strong skillset available in the area of analytic tools like R, SAS, E-views, and Excel which are extensively used in the area of financial modeling and analytics.

PROF. (DR.) ARUN KUMAR BISWAL

Assistant Professor & Area Chairperson

With disruption due to pandemic and increased digitization, the operations & supply chain management is evolving and hence, the focus is shifting towards new talent with relevant skills. The Operations Management department at IMT Hyderabad is well equipped to nurture students as per the industry requirement. All the faculty members are alumnus of institute of repute like IITs/IIMs with rich exposure to industry, research and teaching.

Operations

Human Resource

PROF. (DR.) SHABNAM PRIYADARSHINI

ASSISTANT PROFESSOR & Area Chairperson

"The organisation is, above all, social. It is people." - Peter Drucker

Human Resources can be considered the heart of an organisation. The HR function ensures that the workflow stays smooth and that everyone stays updated with the organisation's policies and requirements. Team OB & HR at IMT Hyderabad regularly review the curriculum to keep all the courses in the HR domain industry-relevant. We also have a mandatory course on psychometric assessment and counselling for each student which helps the students identify their strengths and weaknesses.

Strategy and General Management

PROF. (DR.) AVISHEK BHANDARI

Associate Professor & Area Chairperson

Fundamental Courses in the strategic domain of business are available through the Department of General Management. This department's raison d'être is to increase public knowledge of these crucial business issues. It offers a selection of contemporary electives encompassing themes in strategy, economics, creativity and innovation, law, and communications. These electives provide insights into how to address a variety of problems and challenges that most businesses and organizations are grappling with currently.

Faculty, Research and Achievements

The team of highly qualified and award winning faculty members who possess enormous experience in academics and industry have played an important role in the success of the institute in every aspect including academics, governance, research and consultancy. Most of them are Doctorates with Ph.D./FPM from reputed institutes like IIT Kharagpur, XLRI, IIM Ahmedabad, IIM Bangalore, IIM Lucknow, IIM Indore, NIT Trichy to name a few. They also carry extensive teaching experience in globally renowned universities. IMT Hyderabad takes immense pride in the academic and research strengths of its faculty member. The faculty members are well-trained and have many research publications to their credit.

Our faculty members have published their management cases with reputed Publishes like HARVARD & IVEY

Their research works regularly feature in reputed and high-impact national and international journals such as Journal of Sustainable Tourism, Journal of Retailing and Consumer Services, Technological Forecasting and Social Change, Annals of Operations Research, Benchmarking: An International Journal, Australasian Journal of Information Systems etc.

Alumni Success Stories And Testimonials

“The unique proposition of IMT Hyderabad providing both theoretical concept clarity complemented by application oriented methodology has helped me in understanding the concepts effectively. We had the opportunity to not only learn from the in-house faculty but also from industry leaders which have readied us mentally as to how the real world would look like. The described practice by the institute is an icing on the cake for anyone preparing to enhance their career opportunities”

Jarugumilli Anish Nikhil
Chief Manager
Small & Medium Enterprises at Kotak Mahindra Bank
Batch of 2012-14

“Data Science was a nascent function 10 years ago unlike how it is currently and I was fortunate to learn Data Science courses early at IMT Hyderabad which has given me an edge to perform well in industry.

The course content was so rich in quality that I still refer the analytics books to solve unique problems. The knowledge gained from faculty and practitioner sessions were of immense benefit and has helped shape my career.”

Shivalkar Jeyasankar
Consultant-Data Science at Verizon,Chennai
Batch 2012-14

It's a matter of great pride to carry the tag of IMT Hyderabad as I climb up the corporate ladder in my career. This esteemed alma mater has helped me enhance my professional capabilities and has taken me several notches higher with respect to my contemporaries. Taking a bird's eye view of the problem in hand and logically arriving at a solution using strategic tools is something which I picked up from my B-School days. I am eternally grateful to IMT for transforming my personality and catapulting me to a successful life!

Sandhya Ramasubramanian
Vice President-Financial Strategy Anand Rathi Wealth Ltd.
Batch 2013-15

Student Testimonials

VISHAKHA ROY

One of the main reasons why I was keen on joining IMT Hyderabad was its reputation and past placement records. I was also impressed by the list of companies that recruited students from IMT and the students' salary packages. The faculty at IMT Hyderabad has an impressive background with a lot of experience, and I knew a lot of learning would happen inside and outside the classroom. These are mainly the reasons that made me realize that IMT Hyderabad will be the perfect fit to realize my ambitions.

DENISH

IMT was my dream college when I was preparing for my MBA entrance. The IMT brand itself is self-explanatory, the brand value it carries, the huge alumni network it has and the deep experience of the faculty and the placement opportunities it provides.

Apart from the excellent academics which IMT Hyderabad provides, the city Hyderabad is also a big reason for me to choose this institute. The city is a hub for startups and job opportunities and is a growing name in the global economy. Also, the campus is student-driven and the presence of several clubs and committees was something which I wanted for my personal development.

HARSHIT NAIR

Choosing a good B-school is a nerve-wrecking process, but it was made easier by IMT Hyderabad. The course pedagogy and the college's focus on creating corporate leaders through the industry focused curriculum interested me. The experienced faculty, lectures by industry stalwarts and the exhaustive list of electives and workshops made me choose IMT Hyderabad, for I could see it help me become the professional I'd like to be. Apart from these, the academic and regional diversity of the students helped me make assorted connections and broaden my horizons.

JATIN UPADHYAY

When I started my research on institutes that I would prefer if got shortlisted, IMT was among my top preferences because of the name the institute has developed especially in the 'Marketing' field. I was shortlisted by all the campuses, and I chose IMT Hyderabad because of a myriad of reasons, the most important being its location – 'Hyderabad'.

Hyderabad is one of the fastest growing cities not only in India but around the globe and hosts some of the giants in business like Google, Apple, Microsoft, etc. gives students an added advantage to visit these facilities and learn the work cultures of these business and to orient themselves according to the latest changes in the business world.

IRO - International Relations Office:

- ◆ International Relations Office at IMT Hyderabad facilitates student and faculty exchange programs, faculty development workshops, joint research and conferences throughout any given academic year.
- ◆ The student exchange program at IMT Hyderabad provides students with an opportunity to study in culturally diverse learning environment in a foreign partner university.

Foreign Partners:

IMT Hyderabad has tied-up with reputed partner institutions all over the world. The institute has more than 25 partners across the globe across all the major continents. Our partner institutes are among the leading institutes in their country, possessing international accreditations like AACSB, AMBA and EQUIS.
