

As a thoughtful gesture under the pandemic situation, IMT Hyderabad is extending generous relief to all of its residential students. The details will be sent to all the concerned students separately. The relief will be disbursed once the Institute is allowed by MHRD/AICTE to usher in its students to the campus. Kindly note that the above mentioned relief is applicable for students of academic batch 2019-2021 and 2020-2022 only.
