

Interim Placements Report: Batch of 2016 -2018

Following the trend of a past few years, IMT Hyderabad had positioned itself for a good placement season for the year 2018. As on February 2, 2018, the batch has received 160 offers, resulting in 88.3% placements.

The highest package offered is Rs. 12 Lakhs and the average package is Rs.7 Lakhs, The average remuneration in different segments is as below:

| | |
|---------------|------------------|
| Top 10 offers | Rs. 11,86,215.90 |
| Top 20 offers | Rs. 11,09,918.55 |
| Top 50 offers | Rs. 8,65,526.68 |
| Top 80 offers | Rs. 8,10,376.98 |

Other highlights of current placements season is that apart from regular recruiters such as Amazon, Deloitte, ICICI Bank, FactSet, NephroPlus, HDFC Bank we have seen a host of new recruiters such as Verity Knowledge Solutions, TresVista Financial Services, Novartis, Kaara Infosystems, Tata Capital Financial Services, TVS Motors, HIL, Home Credit, Vernalis, Vijaya Diagnostics, Walmart, Dukes, APL Apollo Tubes Ltd etc., Keeping with the image of being in the top 5 emerging Business Schools, the Institute has steadily been attracting more of new age recruiters.

There has been a significant improvement in the campus placements this year with respect to the following areas :-

- Compensation
- Number of offers per recruiter
- Repeat recruiters
- Quality and diversity of recruiters
- Enhanced job roles

For a smooth transition of students into a professional life, the institute had planned and executed a number of initiatives for the 2nd Year students post their summer internships. These initiatives include a 2 week dedicated training program, career counselling by corporate leaders, participation in mock GD's & PI's and Weekly online quizzes on current affairs and domain related topics.
