Institute of Management Technology (IMT), consistently ranked among the top ten Indian B-schools, is committed to its vision of providing world-class management education through its academic programs and various intellectual pursuits. IMT has been continuously striving for excellence in teaching, research and industrial training.

The institute has been conducting **Management Development and Training Programs** for leading private and public sector organizations. These **programs** are designed and executed to help practicing managers to strengthen their **knowledge** and skills in **functional areas** of management and information technology by focusing on the twin objectives of **conceptual learning and skill development**.

About the Programme

Leadership provides direction, influence and governance that monitor organizational improvement. In today's turbulent times, the issue of leadership has become very essential for corporate to achieve organizational excellence. Given this interest in leadership and the wide spread recognition of its positive effect on organizations, we decided to launch this MDP.

Program Objectives:

The programme aims to

- Introspect on your current personal style and **approach** to leadership.
- Understand the "chemistry" of high-performing **teams**.
- Learn and practice Basic Leadership Skills to **motivate** and energize people around you.
- Realize your true potential and, thereby, that of your organization too

For Whom

This programme could be beneficial to all levels of managers in different forms of organizations. It is also open for all functional areas. The only requirement for participants would be a desire to improve their own leadership skills for their and organization's betterment.

Takeaways from the Workshop

- Learning the leadership communication which different from other communication concepts
- Understanding one's leadership style and working on the betterment and use of several styles in various scenarios
- Appreciating the importance of managing self in order to be a great leader
- Designing a strategy to work with teams and solving conflicts
- Handling the inevitable change in way beneficial for the organization
- Managing diverse workforce and moulding them into organizational culture

Certificate

On successful completion of the programme the participants would be awarded a participation certificate.

Registration

Nominations can be mailed to excedu@imthyderabad.edu.in indicating participant's brief profile mentioning Name, Organisation, Designation, and Department, age, Qualification, Experience details and the present functional role.

Participation fee and Payment Mode

The registration fee is Rs. 20000 plus taxes (as applicable) per participant. The fee includes cost of training, course material and food. Participant fee may be paid on line. (For any other mode of payment - DD/ Cheque may be sent to our mailing address.
